RE: GUY MADMON

At this time, Mr. Madmon requests permission to travel to Tel-Aviv, Israel to visit his grandmother who is ill. Mr. Madmon plans to travel to Israel with his mother from June 5, 2008 and return on June 19, 2008.

On November 14, 2007 telephone contact was made with the Consulate General of Israel in New York. They do not oppose to Mr. Madmon's travel to their country. A state and local record check was negative for new arrest. The probation office in the District of New Jersey advised that Mr. Madmon is in compliance with all supervision terms and conditions. However, based on the fact that Mr. Madmon traveled back and forth between Europe and the United States while committing the instant offense, the probation office in the District of New Jersey opposes the offender's travel request. The United States Probation Office in the District of Nevada has no objection to the travel request. If the Court is in agreement, please indicate below.
